

WASHINGTONIAN

An illustration of two wolves in a snowy, mountainous landscape. The wolf on the left is shown in profile, looking towards the left. The wolf on the right is facing forward, with its mouth slightly open, revealing its teeth. Both wolves have grey and white fur. The background features snow-covered ground and distant, dark mountains under a dark sky. The overall style is that of a vintage magazine cover.

DEDICATION

To our beloved "Pop", to whom we shall always be indebted for these last four wonderful years, we are dedicating this book. We sincerely hope that this gesture will be tangible evidence of our friendship and esteem.

On behalf of the graduating class, we would like to extend our heartfelt thanks to "Our Pop".

BOARD OF TRUSTEES

The picture above shows our Board of Trustees scanning the plans for Washington High's new building program. Our rapidly increasing enrollment brought about by a rapidly growing community has necessitated the erection of more classrooms starting this year. This was made possible by the passage last fall of the \$1,500,000 bond issue by the voters of the township. Besides classrooms for academic subjects, the plans call for a new art building, ag building, home-making, girls' gym and swimming pool.

Watching over this gigantic project and guiding it to completion will be our respected and vigilant Board of Trustees. In the picture they are (left to right): E. A. Quaresma, S. G. Scott, M. J. Bernardo, A. E. Alameda and A. K. Logan.

 K. Katsumoto

The F. F. A. boys had a big year during 1952-53. They had a very outstanding basketball team which included the Galvan brothers, Carrillo, Von Euw, Luis, Stewart, Mahusay, and Coelho.

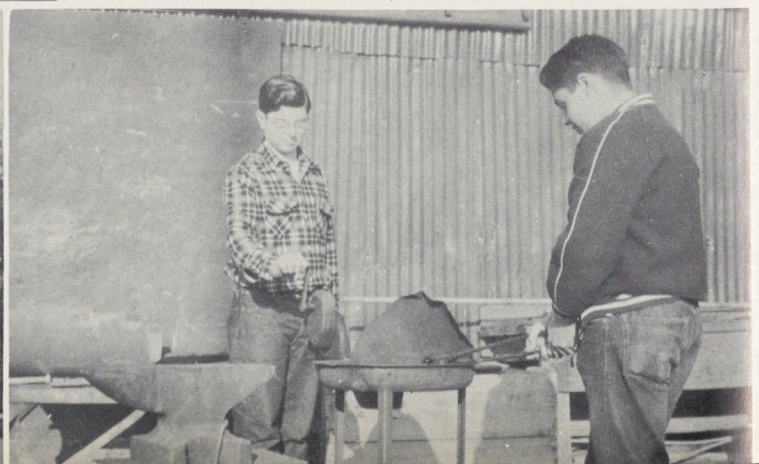

Frank Galvan and Larry Stewart were delegates to the F. F. A. State Convention. LeRoy Brown attended the National Convention in Kansas City, Mo.

Jim Coelho and LeRoy Brown made "State Farmers," the highest F. F. A. award in the state. James Murphy won the Sectional Co-operative Quiz. The boys ran a booth at the P. T. A. Carnival. In their spare time some of the farmers planted 20 acres of school land to barley which will be harvested this summer.

VARSITY FOOTBALL

Johnnie Chacon

At the start of the 1952 football season the Washington Huskies were not expected to win many games in league competition. However, Washington started its league play by defeating the supposed top team, James Lick by seven points. After this, due to injuries, six men were lost from the varsity. They were: Ed King, Allen Olk, Jimmy Bolivia, Frank Murakami, Ernie Delgado and Carl Von Euw.

Although Washington came out on the short end of the winning list, the team, through the leadership of Coach Taylor and Coach Voorhees, and the playing of men like Chacon and Brazil, fought hard all the way and made Washington students rightfully proud.

B FOOTBALL

As is usual every year, Coach Hird has had to work with a lot of green material in order to shape up a good team. Washington had a good team this year. It was not a championship team, losing two games, but it was a better than average squad.

Much of the success of our "Puppies" can be attributed to Coach Hird, who has developed a disorganized group of boys into a powerful athletic unit.

Elected for the season as co-captains were Ed Fletcher and Russell Hayes.

VARSITY BASKETBALL

The W. U. H. S. squad this year was an excellent one and until the last two games it looked as if the boys were headed for the championship. Our team was the only one to beat the Campbell squad that wound up on top but that honor gave the boys little consolation.

Galvan, Rigmaiden, Nieves and Bolivia will be difficult to replace. Rigmaiden was voted captain and most valuable player.

Coming up next year will be Santos, Olk, Flatt, Orozco, Meyer, and Dickerson along with some help from the B squad.

Coach Voorhees is to be congratulated on his excellent work in coaching this squad.

Coach Don Wolfe's Puppy basketballers had an average season winning 13 and losing 12. In league play they managed to win four out of seven. As in previous years the puppies lost crucial league games by narrow margins, one of them in an overtime.

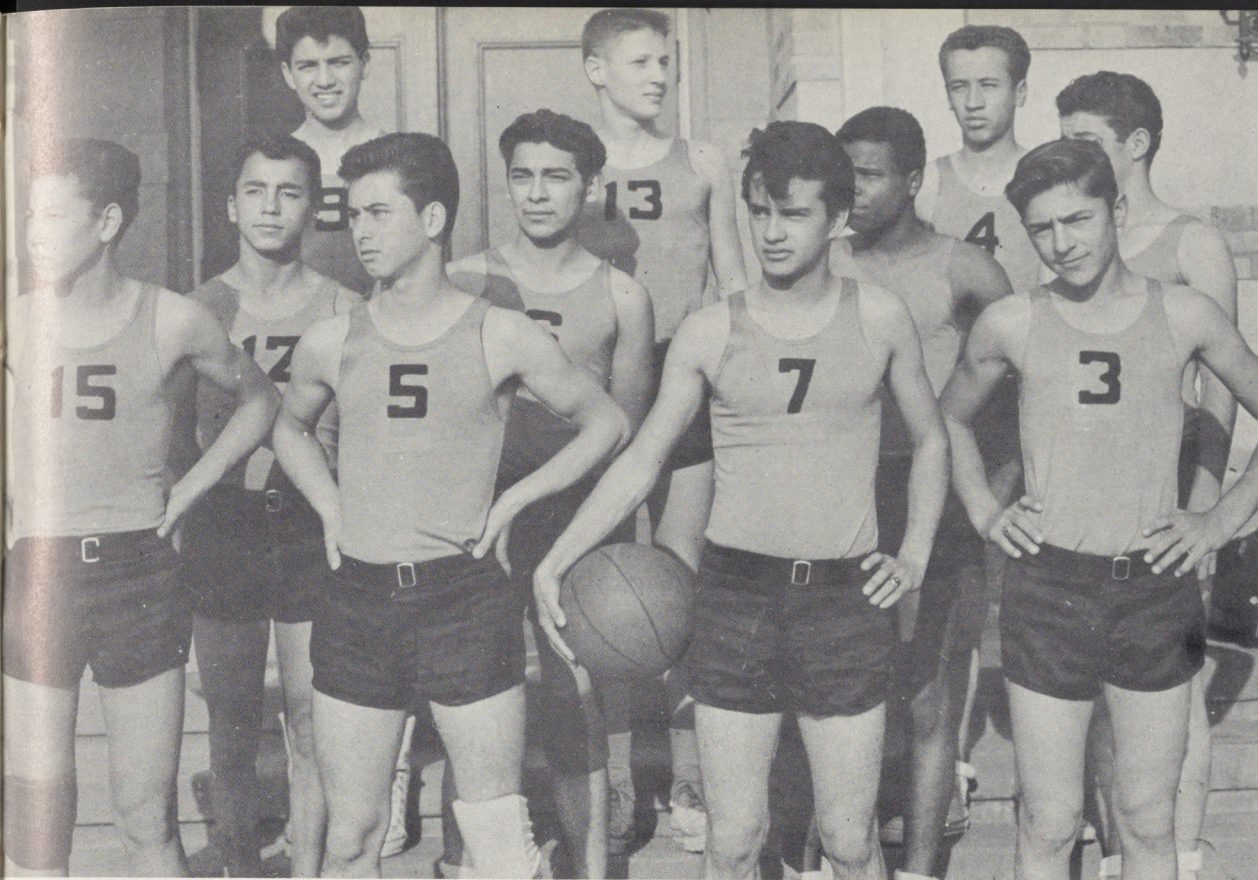

There were no outstanding stars but a well-rounded squad with excellent team work. A good part of the squad will be reporting to the varsity next season.

C BASKETBALL

This year's C Basketball team, spearheaded by Freddie Viscarra, won the S. C. V. A. L. championship. The team won all of its league games. Viscarra was high point man for the season, scoring 100 points in league games. Other league leading scorers for the Washington C's were Don Martin 40 points, and Willie Galan 45 points.

Other players who saw plenty of action were: Ben Lopez, Ed Meneze and John Perez. The past experience of these boys proved to be the deciding factor in all league games. Congratulations to Coach Don Wolfe and the C team.

Although our class "A" cindermen have a handful of individual stars, they haven't been able to come through on a team scoring basis. A lack of depth in the team has been its main hindrance this past year. Washington has always been assured of at least three first places through the abilities of their combination hurdler and broad-jumper, Ralph McElroy. Also heavy on scoring is Washington's ace high-jumper, Antoine Rigmaiden.

Two thinclads that added much to Washington's score were: Jim Cartwright, pole vaulter and Walter Luiz, in the 440. What little success that Washington did attain this year was partially due to the efforts of our track coach, Judson Taylor, assisted by Mr. Crawford and Mr. Osborne.

B TRACK

The deadline posted for this story makes it impossible to present an overall picture of this year's track season; however, the outstanding performers to date have been: Danny Davis in the sprints; Don Cameron in the pole vault; Chuck Bennet in the 440; and Art Anchundo and Albert Rodriguez in the high and low hurdles.

Other point winners who have shown a lot of hustle have been: Dave Alexander in the high jump; Ray Ruiz in the high jump and broad jump; and a potential 880 man, Ernest Duarte.

Our "C" and "D" boys have not been too strong in dual competition but there are some up-and-coming performers who show considerable promise. Those who have done well so far are Dias, Soto and Meneze in the sprints, Sanford in the discus, and Mahusay in the high jump. Soto and Meneze also run the hurdles.

In the "D" division are four boys who always turn in a good performance. They are John Adams in the discus and shot, Moffat in the hurdles, Arias in the sprints, and Avila in the pole vault. We will hear more from these boys in the future.

The varsity baseball team this year is a very well balanced outfit. Leading batters are catcher John Chacon, Dick Arington, who has developed into one of the best infielders in the league, and Ed Romero, an outfielder who is also used as a pitcher. Other potent hitters include Tony Neives, who most people say is the best first baseman in the league, Ed King, the long ball hitting outfielder, Frank Murakami, the little third baseman with a knack for getting on base, and Bob Lunsford who is also the ace pitcher. Also ready and willing to hurl a good game are Allen Olk, Bob Hird, Ray Ruiz, and Ed Romero. Prospects for next year look fairly good at the present. Don Santos, Allen Olk, Bob Hird, Frank Velarde, Ray Ruiz, LeRoy DeSalles, Gordon Stefans and Dan Rodarte will be back, but it will be hard to fill the gaps left by such stalwarts as Arington, Chacon, King, Nieves, Lunsford, and Murakami, who are graduating.

Coach Hird started out the season with almost a full squad of lettermen. Since this book goes to press before the season is over we are unable to give final scores. However, it has been a good season and the morale is high. This is Coach Hird's final team as he is retiring from coaching to become full-time vice-principal. Good luck, Coach, in your new job.

At the time this book went to press our Soph-Frosh team was doing exceptionally well in its league games. The hitting and pitching were excellent and morale was high. We could boast some of the league's top hitters. Coach Wallace was doing well in his first year as baseball mentor and showed promise of having an outstanding season. Some members of this squad will move up to the varsity next year.
